

SERVICE GUIDE

CASH AND VALUE -IN-TRANSIT

Nigeria's leading partner for secure movement of cash, valuables, and high-value assets.

[Overview]

Bemil Nigeria Limited is Nigeria's foremost Cash & Value-in-Transit provider, delivering the secure movement of cash, bullion, and high-value assets across the country since 1978. We combine an armored nationwide fleet with disciplined, vetted personnel and strict operational protocols to give businesses the confidence that every consignment arrives safely and on time.

[What We Move]

Our CIT service goes beyond banknotes. We secure anything of significant value that requires protected, documented transit:

- **Cash and banknotes:** bulk collection and delivery for banks, FMCGs, and retailers
- **Bullion and precious metals:** fully armored, documented escort
- Cheques, financial instruments, and sensitive documents
- High-value retail stock and luxury goods

[Core Service Capabilities]

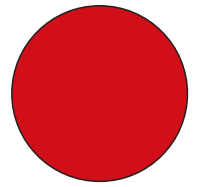

- **Armored Transport:** Fleet of 100+ purpose-built vehicles with full telemetry and armed escorts.
- **Cash Collection & Delivery:** Scheduled and ad-hoc pick-up and drop-off at your premises or vault.
- **Secure Vaulting:** Short and long-term storage in our high-security vaulting facilities.

- **Route Intelligence:** Dynamic route planning using local intelligence to avoid risk corridors.
- **Emergency Response:** 24/7 control room monitoring with rapid incident response protocols.

[Who We Serve]

- **Commercial Banks & MFBs:** Branch cash management, vault replenishment, inter-branch transfers.
- **Retail Chains & FMCGs:** Daily store revenue collection, loss prevention, consolidated lodgments.
- **Revenue Agencies:** Secure conveyance of government receipts and tax collections.
- **Telecommunications:** Airtime and recharge card security, dealer cash consolidation.
- **Oil & Gas / Contractors:** Payroll delivery and site cash management in remote locations.

[The Bemil CIT Standard]

Every consignment processed by Bemil is governed by our four-pillar quality framework:

PERSONNEL

All CIT operatives complete a rigorous vetting process including a 10-year background check, psychological evaluation, and mandatory quarterly retraining at the Bemil Security Academy.

TECHNOLOGY

Every armored vehicle is fitted with real-time GPS tracking, tamper-evident sealing systems, and two-way radio communication directly linked to our 24/7 control room.

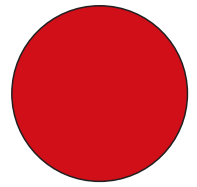

PROTOCOLS

ISO-aligned operational procedures govern every stage of the movement cycle – from pre-departure risk assessment through chain-of-custody documentation to final reconciliation.

COMPLIANCE

Fully licensed by the Nigeria Security and Civil Defence Corps (NSCDC). All operations meet Central Bank of Nigeria (CBN) CIT regulatory requirements.

At Bemil, we don't just watch — we protect.
Our CIT operations are built on 48 years of
Nigerian field experience and a commitment
to zero-loss delivery.
